

¡La Música!

Tengo que colgar

Marián Oviedo y Banda MS

Yo creo que hasta aquí la vamos a dejar
Hubiera preferido decirlo en persona
Es que supe algunas cosas que no me gustaron
No entrare en detalles sabes de que hablo
Por qué eres así... Por qué eres así

No te deseo mal de corazón te digo
Deseo que seas feliz, aunque no sea conmigo
No sabes el desorden que me has provocado
Cuando al fin logre tener acomodado
Todo mi interior... De que me sirvió

Yo no merezco ser segunda opción de nadie
De todo esto, aquí yo soy el responsable
Por no preguntar antes de empezar

Y sé que a veces nada sale como uno quiere
No pasa nada aquí ninguno de los dos se muere
Me vas a olvidar, te voy a olvidar
Y si al principio hubieras dicho la verdad
No me hubiera enamorado yo también se jugar
Suerte en todo... Tengo que colgar

I have to hang up

Marián Oviedo y Banda MS

I think we are going to leave it here
I would have preferred to say it in person
It's that I learned some things that I didn't like
I won't go into details you know what I'm talking
about
Why are you like this... Why are you like this

I do not wish you ill of heart I tell you
I want you to be happy even if it's not with me
You don't know the mess you've caused me
When I finally get settled
All my interior... What good was it for me?

I don't deserve to be anyone's second choice
Of all this, here I am responsible
For not asking before starting

And I know sometimes nothing goes as you want
Nothing happens here neither of them dies
You're going to forget me, I'm going to forget you
And if at first you had told the truth
I wouldn't have fallen in love, I also know how to
play
Good luck with everything... I have to hang up.
